93 中王漫工· Cramer's rule 報息製 In theory, Cramer's rule can be used to solve any system of linear equations, though the amount of computation may be enormous, Ans. False. Cramer's rule 需在有地一部的编性系统才能 使用。

假該線外生系統為Ax=b, Cramer's rule 運算過程中需把det(A)放在与母,然以det(A)为口,即線外生系統不能是無限多解和無解
